EXPERIENCE

Staff Product Designer, Chan Zuckerberg Initiative

June 2019 to Present · Redwood City, CA

I currently work within CZI's Sciences division on their biomedical research and collaboration tool, Meta.

Product Designer, Quora Inc.

Oct 2015 to June 2019 · Mountain View, CA

I was a founding member of and led Quora's design team for ads and monetization. In this role I was responsible for designing and building Quora's Ads Manager and consumer facing ad units. I also led the design of a number of consumer social projects.

Product Designer, Nextdoor Inc.

June 2014 to Oct 2015 · San Francisco, CA

I worked as the lead Android and Web designer for a redesign of Nextdoor's local events platform. I additionally led mobile design for a project which aimed to connect neighbors with local service providers.

Technical Strategist, Google Inc.

Mar 2011 to Aug 2013 · Mountain View, CA

I led design for internal tools used within Google Research as well as led the design and front-end development for projects on the Google Transparency Reporting team.

ADDITIONAL EXPERIENCE

Bridge Fellow, Designer Fund

May 2014 to Present · San Francisco, CA

I joined the Designer Fund in the third class of their professional development program, Bridge.

Officer Candidate, United States Marine Corps

Sep 2008 to June 2010 · Quantico, VA

While a student at the University of Washington I was a participant in the United States Marine Corps Officer Training program.

Eagle Scout, Boy Scouts of America

May 2005 · Buffalo, NY

I was awarded the rank of Eagle Scout by the Boy Scouts of America in May 2005.

EDUCATION

University of Washington

Aug 2008 to June 2010, Aug 2013 to June 2014 · Seattle, WA

I earned a B.A. in Information Systems from the University of Washington in 2010 and returned in 2013 to pursue a M.S. in Human Computer Interaction.
