EXPERIENCE

Staff Product Designer, Chan Zuckerberg Initiative

June 2019 to Present · Redwood City, CA

I'm currently building design systems within CZI's Science initiative.

Product Design Lead, Quora Inc.

Oct 2015 to June 2019 · Mountain View, CA

I was a founding member of and led Quora's design team for ads and monetization. In this role I was responsible for designing and building Quora's Ads Manager and consumer facing ad units. I also led redesigns of Quora's messaging and email platforms.

Product Designer, Nextdoor Inc.

June 2014 to Oct 2015 · San Francisco, CA

I worked as the lead Android and Web designer for a redesign of Nextdoor's local events platform. I additionally led mobile design for a project that connected neighbors with local service providers.

Technical Strategist, Google Inc.

Mar 2011 to Aug 2013 · Mountain View, CA

I led design for internal tools used within Google Research as well as led the design and front-end development for projects on the Google Transparency Reporting team.

ADDITIONAL EXPERIENCE

Founder, Hikearound

May 2020 to Present · San Francisco, CA

Hikearound is the easiest way to discover, save, and share great local hikes. Download the app today by visiting tryhikearound.com.

Bridge Fellow, Designer Fund

May 2014 to Present · San Francisco, CA

I joined the Designer Fund in the third class of their professional development program, Bridge.

Officer Candidate, United States Marine Corps

Sep 2008 to June 2010 · Quantico, VA

While a student at the University of Washington I was a participant in the United States Marine Corps Officer Training program.

Eagle Scout, Boy Scouts of America

May 2005 · Buffalo, NY

I was awarded the rank of Eagle Scout by the Boy Scouts of America in May 2005.

EDUCATION

University of Washington

Aug 2008 to June 2010, Aug 2013 to June 2014 · Seattle, WA

I earned a B.A. in Information Systems from the University of Washington in 2010 and returned in 2013 to pursue a M.S. in Human Computer Interaction.
